4. La représentation ne devrait pas s'écarter indûment du principe de la représentation en fonction de la population.

(4) En cas de partage des voix lors d'un vote des membres du comité sur une désignation ou détermination faite aux termes du paragraphe (2), les secrétaires enlèvent la décision par vote majoritaire.

(5) Si aucun secteur à faible population n'est désigné aux termes de l'alinéa (2) a), les secrétaires répartissent les membres du conseil selon les règles suivantes, qui s'appliquent dans l'ordre, en commençant par la règle 1 :

 b = le nombre total de membres du conseil,
 c = la population totale du groupe électoral pertinent.

2. Déterminer :

where

- a = the population of the relevant electoral group that is resident in the municipality or ward,
- b = the total number of population member positions on the board,
- c = the total number of density member positions on the board,
- d = the low population factor,
- e = the total population of the relevant electoral group.

3. Add the low population factor to the sum of the electoral quotients of the low population areas.
4. Calculate an electoral quotient for each municipality and ward in the low population area using the following formula:

$$\text{electoral quotient} = \frac{a \times b}{c}$$

- where a = the population of the relevant electoral group that is resident in the municipality or ward,
- b = the number calculated under rule 3,
- c = the total population of the relevant electoral group that is resident in the low population areas.

- i. one or more municipalities,
- ii. one or more wards in a municipality, or
- iii. any combination of municipalities and wards,

that shall form geographic areas in which the sum of the electoral quotients calculated under rule 2 of the municipalities or wards is, as nearly as practicable, an integer.

(6) Si un ou plusieurs secteurs à faible population sont désignés aux termes de l'alinéa (2) a), les secrétaires répartissent les membres du conseil selon les règles suivantes, qui s'appliquent dans l'ordre, en commençant par la règle 1 :

1. Diviser les municipalités et les quartiers en deux groupes, dont l'un comprend les secteurs à faible population et l'autre, les municipalités et les quartiers restants.
2. Calculer le quotient électoral pour chaque municipalité et chaque quartier en utilisant la formule suivante :

$$\text{quotient électoral} = \frac{a \times (b + c - d)}{e}$$

dans laquelle a = la population du groupe électoral pertinent qui réside dans la municipalité ou le quartier,

- b = le nombre total de postes de membres liés à la population au sein du conseil,
- c = le nombre total de postes de membres liés à la densité au sein du conseil,
- d = le facteur de rajustement pour faible population,
- e = la population totale du groupe électoral pertinent.

3. Ajouter le facteur de rajustement pour faible population à la somme des quotients électoraux des secteurs à faible population.
4. Calculer le quotient électoral pour chaque municipalité et chaque quartier situé dans le secteur à faible population en utilisant la formule suivante :

$$\text{quotient électoral} = \frac{a \times b}{c}$$

dans laquelle a = la population du groupe électoral pertinent qui réside dans la municipalité ou le quartier,

- b = le nombre calculé selon la règle 3,
- c = la population totale du groupe électoral pertinent qui réside dans les secteurs à faible population.

5. Parmi les secteurs à faible population, déterminer :

6. Le nombre de membres pour une région géographique située dans un secteur à faible population relevant de la compétence d'un conseil d'un territoire à forte densité correspond, autant que possible, à la somme des quotients électoraux, calculée selon la règle 4, des municipalités ou des quartiers qui constituent la région géographique.

7. Parmi les municipalités et les quartiers qui ne constituent pas des secteurs à faible population, déterminer :

- i. soit une ou plusieurs municipalités,
- ii. soit un ou plusieurs quartiers d'une municipalité,

TABLE OF REGULATIONS

TABLE DES RÈGLEMENTS

January 1990 – June 1997

TABLE OF REGULATIONS

The Table of Regulations shows the regulations contained in the Revised Regulations of Ontario, 1990 and those made after December 31, 1990 and before July 1, 1997. It also shows the amendments to those regulations.

Most of the listings are in English only. Some regulations have an official French version. Bilingual regulations are indicated by a bilingual title.

Occasionally numerical, typographical or other clerical errors are made in the publication of the text of regulations. Corrections are published in *The Ontario Gazette*. A schedule of the dates these corrections were published is included at the end of this Table.

The dates on which regulations were published in *The Ontario Gazette* are set out in a table immediately following this Table.

The abbreviation "Rev." means revoked.

The abbreviation "Exp." means expired.

TABLE DES RÈGLEMENTS

La Table des règlements énumère tous les règlements contenus dans les Règlements refondus de l'Ontario de 1990 et ceux pris après le 31 décembre 1990 mais avant le 1^{er} juillet 1997. Elle indique également les modifications apportées à ces règlements.

La plupart des entrées ne figurent qu'en anglais. Quelques règlements ont une version française officielle et leur titre est indiqué dans les deux langues.

À l'occasion, des erreurs d'écritures, notamment d'ordre numérique ou typographique, se glissent dans le texte des règlements qui sont publiés. Des corrections sont publiées dans la *Gazette de l'Ontario*. Les dates auxquelles ces corrections ont été faites figurent dans l'annexe qui se trouve à la fin de cette Table.

Les dates auxquelles les règlements ont été publiés dans la *Gazette de l'Ontario* figurent dans la table qui suit celle-ci.

L'abréviation «Rev.» indique que le règlement est abrogé.

L'abréviation «Exp.» indique que le règlement est périmé.

Workers' Compensation Board Commission des accidents du travail

IN THE MATTER OF Section 95
of the *Workers' Compensation Act*
R.S.O. 1990, c. W. 11, as amended;

AND IN THE MATTER OF the ODP Report
to the Workers' Compensation Board on
Cancer of the Larynx in Workers
in Primary Nickel Production

REQUESTS FOR SUBMISSIONS

Section 95 of the *Workers' Compensation Act* provides for the creation of an Occupational Disease Panel (the Panel). It is the function of the Panel to:

- (a) investigate possible industrial diseases;
- (b) make findings as to whether a probable connection exists between a disease and an industrial process, trade or occupation in Ontario;
- (c) create, develop and revise criteria for the evaluation of claims respecting industrial diseases; and,
- (d) advise on eligibility rules regarding compensation for claims respecting industrial diseases.

The issue of laryngeal cancer in the nickel industry was first brought to the attention of the Ontario Workers' Compensation Board (WCB) in 1997 when a Norwegian study of nickel refinery workers reported an excess of laryngeal cancer among workers in the roasting and smelting processes. Since that time, there has been considerable study of Ontario workers in the nickel industry.

Included in this notice is the following:

1. The Panel's Conclusions, Findings and Recommendations.

Copies of the report are available on request from the Panel and can be obtained by contacting the **Occupational Disease Panel, 69 Yonge Street, 10th floor, Toronto, Ontario M5E 1K3 - (416) 327-4156.**

In accordance with sub-section 95(12) of the *Workers' Compensation Act*, the Board has published this notice setting forth the nature of the findings of the Panel and hereby requests written comments, briefs and submissions from any interested parties. Comments, briefs and submissions must be filed with the Board within 90 days (i.e. November 7, 1997) of the date of this notice.

All comments, briefs and submissions related to this report should be sent to **Ms. Linda Angove, Secretary of the Board, Workers' Compensation Board, 200 Front Street West, 17th Floor, Toronto, Ontario M5V 3J1.**

All submissions will become public documents and will be maintained in the Library of the Workers' Compensation Board.

Upon the expiry of the 90 day period herein, the Board, pursuant to subsection 95(13), may accept the findings of the Panel with or without amendments or it may reject the findings.

Notice of the Board's acceptance or rejection, with reasons therefor, will be published in *The Ontario Gazette* in accordance with subsection 95(15) of the *Workers' Compensation Act*.

Report to the Workers' Compensation Board on Cancer of the Larynx in Workers in Primary Nickel Production

July, 1997

Occupational Disease Panel
Report No. 19

CONCLUSIONS, FINDINGS AND RECOMMENDATIONS

In the following pages the Panel bases its findings on the subcohorts of mining, milling, smelting and refining in terms of the Bradford Hill criteria. Since all of the cases of laryngeal cancer occurred following the onset of exposures, temporality has been met in all cases and will not be dealt with individually.

In dealing with the Hill criteria of specificity the Panel noted that workplace exposures for nickel production workers include many carcinogenic agents for respiratory tract cancers. This fact makes it very difficult to single out one specific workplace carcinogen for laryngeal cancer. Accordingly the test for specificity has not been met; however as Bradford Hill warned, there may be over-reliance on the specificity criterion.

Finally, with respect to the issue of biological plausibility, all workers in the primary nickel industry could be exposed to respirable dusts, mists and fumes. Since these dusts, mists and fumes contain known respiratory carcinogens, it is therefore, biologically plausible that laryngeal cancer is occupationally related in these workers.

A. MINING

Conclusions

- Data from Julian and Muir calculated by ODP staff show a statistically significant elevated SIR of 174 (95% CI 111-259) for miners with more than 25 years exposure.
- Shannon and Roberts, on an examination of fatal laryngeal cases only, found a statistically significant SMR of 400 (95% CI 109-1024) for miners;
- A clear dose-response relationship for laryngeal cancer among miners was found; Julian and Muir state:

In underground miners, an increasing trend, beginning in the 15-24 year DOE category, was apparent and statistically significant [chi square analysis], even though the individual relative risks were not [45].

- Miners are exposed to IARC Group I carcinogens including, nickel aerosols, PAHs and sulphuric acid from diesel emission, asbestos, radon and oil mists.
- Miners are exposed to other agents which are suspected to be respiratory carcinogens including arsenic, cobalt, cadmium, chromium, and silica.

The Panel's Findings and Recommendations

- The Panel finds that there is a strong probable connection between nickel mining and laryngeal cancer.
- Accordingly, the Panel recommends that nickel mining and laryngeal cancer should be added to Schedule 3 of the *Workers' Compensation Act*.

B. MILLING

Conclusions

- Data from Julian and Muir show a statistically significant SIR of 400 (95% CI 147-871) for all mill workers with more than 25 years exposure.
- Julian and Muir found:

A four-fold risk in millers with more than 25 years of exposure was identified and is likely to be work-related [45].

- The rates of laryngeal cancer for mill workers increase with duration of exposure. When all four exposure categories are used in the calculations there is a statistically significant dose/response trend.

- Mill workers are exposed to IARC Group I carcinogens including nickel aerosols and asbestos.
- Mill workers are exposed to other agents which are suspected to be respiratory carcinogens including arsenic, cobalt, cadmium, chromium, and silica.

Panel's Findings and Recommendations

- The Panel finds a strong probable connection between nickel milling and laryngeal cancer.
- Accordingly, the Panel recommends that nickel milling and laryngeal cancer be included in Schedule 3 of the *Workers' Compensation Act*.

C. SMELTING AND SINTERING

Conclusions

- Workers employed in nickel smelting and in the sintering process are exposed to known respiratory carcinogens.
- In the Sudbury sintering operation there were no elevated rates of laryngeal cancer.
- The data from Ontario studies show very high statistically significant rates of lung and nasal cancers for sinter workers but not for nickel smelter workers with no sinter experience. Lung and nasal cancers have a low survival rate, which fact may mask the true incidence of laryngeal cancer for sinter workers.

The Panel's Findings and Recommendations

- The Panel finds that a probable connection between laryngeal cancer and nickel exposures in the smelting and sintering processes has not been established. However, the high incidence of lung and nasal cancers among these workers suggests that laryngeal cancer, also a respiratory cancer, could possibly be work-related.
- In light of this finding, the Panel recommends that cases of laryngeal cancer among smelter and sinter workers be given case by case consideration.

D. REFINING

Conclusions

- In Norway, workers in refining operations have a statistically significant elevated rate for laryngeal cancer. The highest elevation is found among refinery workers in the roasting and smelting operations.
- In Ontario, the workers in the nickel refinery without sintering experience had an elevated overall SIR for laryngeal cancer of 171 (95% CI 78-325). For sintering workers the rate approximated the expected, at an SIR of 96 (95% CI 26-247).
- Workers in the refinery would have been exposed to known respiratory carcinogens including nickel aerosols, asbestos and sulphuric acid. They would also have been exposed to suspected respiratory carcinogens including cobalt and arsenic.

Panel's Findings and Recommendations

- The Panel finds that there is no evidence to dispute the probable connection between work in Ontario nickel refineries and elevated rates of laryngeal cancer established by the WCB in Policy 04-04-13.
- The Panel recommends that WCB adjudicators continue to rely on the current policy when evaluating laryngeal cancer claims from nickel refinery workers.

Insurance Act Loi sur le assurances

GUIDELINE RESPECTING CONFLICT OF INTEREST IN THE PROVISION OF MEDICAL AND REHABILITATION SERVICES

[This Guideline is issued pursuant to section 268.3 of the *Insurance Act*, R.S.O. 1990, c.1.8, as amended.]

The Treatment Plan

The *Statutory Accident Benefits Schedule – Accidents on or after November 1, 1996* (SABS) sets out a new procedure for insured persons to follow when applying for medical and rehabilitation benefits.

The insured person must submit a Treatment Plan completed by a member of a health profession before incurring expenses for medical or rehabilitation services. For the purposes of the SABS, the Treatment Plan form is the application form for medical and rehabilitation benefits. The Commissioner has approved OCF-18/59 as the Treatment Plan form to be used under the SABS.

When an insured person applies for medical and rehabilitation benefits, the insurer will review the Treatment Plan and decide what goods and services it is prepared to pay for. However, an insurer may waive the requirement for a Treatment Plan where the insurer has agreed to pay for the goods or services.

In addition, an insurer is required to pay for chiropractic or physiotherapy treatment within the first six weeks following the accident, pending the outcome of any dispute over such services. The insured person can attend up to 15 treatments, during the initial six week period, provided that the insured person has submitted a Treatment Plan to the insurer before commencing treatment.

Obligation to Disclose Conflicts of Interest

There are obligations in respect to conflicts of interest imposed on three different groups: health professionals; lawyers, or other persons representing claimants; and insurers.

The obligations with respect to conflicts of interest for health professionals arise in the preparation and signing of the Treatment Plan for the claimant. The obligations are as follows:

- The health professional must disclose any conflict of interest he or she may have in relation to the treatment plan.
- In cases where another person has referred the insured to the persons who will be providing the goods and services under the plan, the health professional must make reasonable efforts to determine whether the person who made the referral has a conflict of interest.
- If the other person who referred the insured person to the treating facility has a conflict of interest in relation to the treatment plan, the health professional must disclose the conflict of interest in the treatment plan.

The OCF-18/59, the form to be used in the preparation of a treatment plan, includes a disclosure statement to be signed by the health professional; this satisfies the requirements.

The obligations of a lawyer or other representative of the claimant is to disclose any conflict of interest to the insurer at the time the application for benefits is submitted.

The insurer is required to disclose any conflict of interest to the claimant within 14 days of receiving the application, unless it has already rejected the application because of a conflict of interest disclosed by the health professional or the claimant's lawyer or other representative.

Conflict of Interest Defined

Section 38(24) of the SABS defines "conflict of interest":

- (a) *A person has a conflict of interest relating to a treatment plan if,*
 - (i) *the person or a member of the person's family may receive a financial benefit, directly or indirectly, as a result of the provision, by a member of the person's family or another person, of goods or services contemplated by the treatment plan, and*
 - (ii) *the person who may receive the financial benefit is not the employee of the person who will provide the goods or services and does not have a contract with the person who will provide the goods or services under which goods or services of that kind are provided; and*
- (b) *An insurer has a conflict of interest relating to goods or services to which an insured person is referred by the insurer if the insurer may receive a financial benefit, directly or indirectly, as a result of the provision of the goods or services.*

Member of a Person's Family Defined

Section 38(25) of the SABS defines "member of a person's family":

"member of the person's family" means, in the case of a person who is not a corporation, any other person connected with the person by blood relationship, marriage or adoption, and

- (a) *persons are connected by blood relationship if one is the child or other descendant of the other or one is the brother or sister of the other,*
- (b) *persons are connected by marriage if one is the spouse of the other or of a person who is connected by blood relationship to the other, and*
- (c) *persons are connected by adoption if one has been adopted, either legally or in fact, as the child of the other or as the child of a person who is connected by blood relationship (otherwise than as a brother or sister) to the other.*

Commentary

Purpose of Disclosure

The purpose of this provision is to identify situations where referrals for profit are likely to exist and where a party is in a position to unduly influence the course of treatment to their own pecuniary advantage.

Where a conflict of interest exists, the possibility arises that the interests of the insured person might not always be paramount. Therefore, where a conflict of interest does exist, the party having the conflict is required to disclose it. Some typical situations that arise are set out below as guidance:

Self-Referrals

- The conflict of interest provisions indicate that the person who receives a financial benefit would have to profit from services provided by another person. Therefore, if the health professional who prepares the Treatment Plan is the person who will treat the insured person, no conflict of interest exists.

Referrals within a Facility

- The conflict of interest provisions are also not intended to extend to co-workers within a facility. If the person completing the Treatment Plan is employed by or is under contract with the same facility that provides the treatment, no conflict of interest exists.

Referrals for Profit

- If the person who prepares the Treatment Plan receives a financial benefit for referring the insured person to a treatment facility, a conflict of interest exists. However, no conflict of interest exists if the person who prepares the Treatment Plan is an employee of the same facility that will be carrying out the treatment.
- If the insured person is referred to a treatment facility by another person who will receive a financial benefit, a conflict of interest exists. However, no conflict of interest exists if the person making the referral is an employee of the same facility.

Financial Benefit

The regulation provides that a conflict of interest exists if the health professional, lawyer or representative of the insured, or a member of their family, or the insurance company receives a financial benefit, either directly or indirectly, as a result of a referral.

A financial benefit can consist of any thing of value. For the purposes of this regulation, the following types of arrangements would result in a financial benefit being received:

- any benefit received by the person for the referral in the form of a referral fee, commission, rebate, or gift;
- the sharing of profits;
- the expectation of cross referral;
- obtaining or providing goods or services at prices that are substantially higher or lower than the fair market value;
- an agreement between an insurance company and a provider to limit the quantity of services to be provided to insureds who are referred to the provider by the company.

The above examples are illustrative and are not an exhaustive list of the types of arrangements that could result in a financial benefit being received by a health provider, the insured person's lawyer or representative, or the insurance company.

Disclosure by a Health Professional

The regulation places the onus on the health professional completing the Treatment Plan form to make inquiries and disclose any conflicts of interest on the form. The regulation does not require the health professional to provide any other statement respecting conflicts of interest. In particular, the health professional is not required to provide an insurance company with documented proof that no conflict of interest exists.

Disclosure by the Insurance Company When the Treatment Plan is Waived

If the insurance company waives the requirement for a Treatment Plan, the company has an obligation to notify the insured in writing of any conflict of interest that the company has with respect to the goods or services provided to the insured.

When a Conflict of Interest is Disclosed

If a conflict of interest is disclosed by the health professional who prepared the Treatment Plan, or by the insured person's lawyer or representative, the insurance company may refuse the Treatment Plan, provided that it notifies the insured person within 14 days of receiving the plan. In this case, the insured person would have to submit a new Treatment Plan that recommends providers who did not have a conflict of interest.

The conflict of interest provisions are not intended to prohibit treatment when a conflict exists but rather require disclosure of such situa-

tions. It is intended to eliminate the ability of one of the parties to influence the course of treatment for their pecuniary advantage. Therefore, the insurance company may approve a Treatment Plan despite the existence of a conflict and should exercise discretion before denying plans based on a conflict of interest.

When a Conflict of Interest is Not Disclosed, but is Discovered After the Commencement of Treatment

If an insurance company discovers that a conflict of interest exists with respect to goods or services provided under a Treatment Plan, the company may give the insured person notice that the insured has 14 days to amend the Treatment Plan to remove the conflict of interest. This would mean that the insured person would have to be referred to another health provider who did not have a conflict of interest. The insured would receive goods or services from the new health provider.

LIGNE DIRECTRICE CONCERNANT LES CONFLITS D'INTÉRÊTS DANS LA PRESTATION DE SERVICES MÉDICAUX ET DE RÉHABILITATION

[La présente ligne directrice est publiée conformément au paragraphe 268.3 de la *Loi sur les assurances*, L.R.O. 1990, c.I.8, dans sa version modifiée.]

Le programme de traitement

L'Annexe sur les indemnités d'accident légales – accidents survenus le 1^{er} novembre 1996 ou par la suite fixe une nouvelle marche à suivre pour les personnes assurées lorsqu'elles font une demande de prestation de services médicaux et de réhabilitation.

La personne assurée doit fournir un programme de traitement rempli par un professionnel de la santé avant d'engager les dépenses pour obtenir des services médicaux ou de réhabilitation. Aux fins de l'Annexe, le formulaire du programme de traitement est la formule de demande de prestations de services médicaux et de réhabilitation. Le Commissaire a approuvé le formulaire OCF-18/59 comme étant le formulaire du programme de traitement qui doit servir en vertu de l'Annexe.

Lorsqu'une personne assurée fait une demande de prestations de soins médicaux et de réhabilitation, l'assureur examinera le programme de traitement et décidera quels biens et services il est prêt à payer. Cependant, tout assureur peut renoncer à l'exigence d'un programme de traitement s'il s'engage à rembourser le coût des biens et services.

En outre, l'assureur est tenu de payer le traitement de soins de chiropraticiens ou de physiothérapeutes dans les six premières semaines qui suivent l'accident en attendant les résultats de tout conflit concernant lesdits services. La personne assurée peut suivre jusqu'à 15 traitements au cours de la période initiale de six mois, pourvu qu'elle ait présenté un programme de traitement à l'assureur avant d'entamer le traitement.

Obligation de divulguer les conflits d'intérêts

Les obligations de divulguer les conflits d'intérêts concernent trois groupes : les professionnels de la santé, les avocats ou autres représentants, et les assureurs.

Pour les professionnels de la santé, ces obligations visent la préparation et la signature d'un programme de traitement pour le demandeur. Il s'agit des obligations suivantes :

- Le professionnel de la santé doit divulguer tout conflit d'intérêts qu'il peut avoir à l'égard du traitement.
- Si la personne assurée a été adressée par un tiers aux personnes qui fourniront les biens et services décrits dans le programme de traitement, le professionnel de la santé doit faire des efforts raisonnables pour déterminer si le tiers qui a fait la recommandation a un conflit d'intérêts.

- Si le tiers qui a adressé la personne assurée à l'établissement de traitement a un conflit d'intérêts à l'égard du programme de traitement, le professionnel de la santé doit divulguer le conflit sur le formulaire du programme de traitement.

Le formulaire OCF-18/59, à utiliser dans la préparation d'un programme de traitement, prévoit une déclaration de divulgation à signer par le professionnel de la santé; cette déclaration est suffisante.

L'avocat ou un autre représentant du demandeur doit divulguer tout conflit d'intérêts à l'assureur, au moment où la demande de prestations est présentée.

L'assureur est tenu de divulguer tout conflit d'intérêts au demandeur dans les 14 jours suivant réception de la demande, à moins qu'il n'ait déjà rejeté la demande pour cause de conflit d'intérêts divulgué par le professionnel de la santé ou l'avocat ou un autre représentant du demandeur.

Définition de «conflits d'intérêts»

Les alinéas 38 (24) a) et b) de l'Annexe donnent une définition de «conflit d'intérêts» :

- a) *un plan de traitement place une personne dans une situation de conflit d'intérêts si les conditions suivantes sont réunies :*
 - (i) *la personne ou un membre de la famille de la personne peut recevoir, directement ou indirectement, un avantage financier à la suite de la fourniture, par un membre de la famille de la personne ou par une autre personne, de biens ou de services prévus par le plan de traitement,*
 - (ii) *la personne qui peut recevoir l'avantage financier n'est pas l'employé de la personne qui fournira les biens ou les services ni n'a conclu avec elle de contrat prévoyant la fourniture de tels biens ou services;*
- b) *des biens ou des services qu'il recommande à la personne assurée placent l'assureur dans une situation de conflit d'intérêts s'il peut recevoir, directement ou indirectement, un avantage financier à la suite de la fourniture de ces biens ou services.*

Définition de «membre de la famille»

Les alinéas 38 (25) a) et b) de l'Annexe donnent une définition de «membre de la famille»

«membre de la famille» Dans le cas d'une personne physique, s'entend de toute autre personne qui lui est liée par le sang, le mariage ou l'adoption. À cette fin :

- a) *deux personnes sont liées par le sang si l'une est l'enfant ou un autre descendant de l'autre ou encore le frère ou la soeur de l'autre;*
- b) *deux personnes sont liées par le mariage si l'une est le conjoint de l'autre ou d'une personne qui est liée à l'autre par le sang;*
- c) *deux personnes sont liées par l'adoption si l'une a été adoptée, légalement ou de fait, comme enfant de l'autre ou comme enfant d'une personne qui est liée à l'autre par le sang autrement qu'à titre de frère ou de soeur.*

Observations

But de la divulgation

Le but de la présente divulgation est de faire ressortir les cas où les recommandations en vue de gagner un profit risquent d'exister et lorsqu'une partie est en mesure d'influer sur le cours du traitement dans son propre intérêt pécuniaire.

Lorsqu'un conflit d'intérêts existe, il se peut que les intérêts de la personne assurée ne soient pas toujours au premier plan. Par conséquent, lorsqu'un conflit d'intérêts existe, la partie qui est en conflit est tenue de le divulguer. Nous mentionnons ci-dessous certaines situations typiques à titre de grandes lignes :

Auto-recommandations

- Les dispositions de conflits d'intérêt indiquent que la personne qui bénéficie d'un avantage financier profiterait des services rendus par un tiers. Par conséquent, si le professionnel de la santé qui prépare le plan de traitement est la personne qui va soigner la personne assurée, aucun conflit d'intérêts n'existe.

Recommandations au sein d'un établissement

- Les dispositions de conflits d'intérêts ne visent pas non plus les collègues au sein d'un établissement. Si la personne qui remplit le programme de traitement est employée par le même établissement qui fournit le traitement ou a une relation contractuelle avec celui-ci, aucun conflit d'intérêts n'existe.

Recommandations aux fins de profits

- Si la personne qui prépare le programme de traitement bénéficie d'un avantage financier parce qu'elle adresse la personne assurée à un établissement de traitement, il y a conflit d'intérêts. Cependant, aucun conflit d'intérêts n'existe si la personne qui prépare le programme de traitement est un employé de l'établissement qui effectuera le traitement.
- Si la personne assurée est adressée à un établissement de traitement par une personne qui bénéficiera d'un avantage financier, il y a conflit d'intérêts. Cependant, aucun conflit d'intérêts n'existe si la personne qui fait la recommandation est un employé du même établissement.

Avantages financiers

La réglementation stipule qu'il y a conflit d'intérêts si le professionnel de la santé, l'avocat ou le représentant de l'assuré ou un membre de la famille, ou la compagnie d'assurance bénéficie d'un avantage financier, soit directement soit indirectement à la suite d'une recommandation.

Un avantage financier peut consister en quelque chose de valeur. Aux fins de la présente réglementation, les catégories suivantes d'ententes aboutiraient à un avantage financier :

- tout avantage dont bénéficierait la personne pour la recommandation sous forme d'honoraires, de commissions, de rabais ou de cadeaux;
- le partage des profits;
- l'attente de recommandations réciproques;
- l'obtention ou la prestation de biens ou services à des prix qui sont considérablement plus élevés ou moins élevés que la juste valeur marchande;
- une entente avec la compagnie d'assurance et un fournisseur de limiter la quantité des services qui seront fournis aux assurés qui sont recommandés au fournisseur par la compagnie.

Les exemples ci-dessus sont fournis à titre d'exemples et ne constituent pas une liste exhaustive de toutes les catégories d'ententes qui pourraient déboucher sur un avantage financier reçu par un fournisseur de soins de santé, par l'avocat ou le représentant de la personne assurée, ou la compagnie d'assurance.

Divulgarion par un professionnel de la santé

La réglementation impose au professionnel de la santé qui remplit le formulaire de programme de traitement de se renseigner et de divulguer tout conflit d'intérêts sur le formulaire. La réglementation n'exige pas qu'il fournisse d'autres déclarations concernant les conflits d'intérêts. En particulier, il n'est pas tenu de fournir à la compagnie d'assurance des preuves documentées qu'aucun conflit d'intérêts n'existe.

Divulgarion par la compagnie d'assurance si elle renonce au programme de traitement

Si la compagnie d'assurance renonce à l'exigence d'un programme de traitement, elle a l'obligation d'informer l'assuré par écrit de tout conflit d'intérêts que la compagnie peut avoir à l'égard des biens et services qui lui sont fournis.

En cas de divulgation d'un conflit d'intérêts

Si un conflit d'intérêts est divulgué par le professionnel de la santé qui a préparé le programme de traitement ou par l'avocat ou le représentant de la personne assurée, la compagnie d'assurance peut refuser le programme de traitement pourvu qu'elle informe la personne assurée dans les 14 jours où elle a reçu le programme. Dans ce cas, la personne assurée doit soumettre un nouveau programme de traitement qui recommande des fournisseurs qui n'ont pas de conflits d'intérêts.

Les dispositions relatives aux conflits d'intérêts ne visent pas à interdire le traitement lorsqu'un conflit d'intérêts existe, mais plutôt à rendre obligatoire la divulgation de ces circonstances. Elle vise à éliminer la possibilité que l'une des parties influe sur le cours du traitement dans son intérêt pécuniaire. Par conséquent, la compagnie d'assurance peut approuver un programme de traitement en dépit de l'existence d'un conflit d'intérêts et doit exercer sa discrétion avant de refuser les programmes qui reposent sur un conflit d'intérêts.

Cas de conflits d'intérêts non divulgués, mais découverts après le début du traitement

Si une compagnie d'assurance découvre qu'un conflit d'intérêts existe à l'égard des biens ou services fournis en vertu d'un programme de traitement, elle peut donner à l'assuré un avis d'après lequel il a 14 jours pour modifier le programme de traitement afin d'éliminer le conflit d'intérêts. Ceci veut dire que la personne assurée devrait être adressée à un autre fournisseur de soins de santé qui n'a pas de conflits d'intérêts. L'assuré bénéficierait alors des biens ou services du nouveau fournisseur.

DISPOSITION OF ELIGIBLE INVESTMENT

10. (1) For the purposes of section 66.1 of the Act, each of the following events constitutes a disposition of an eligible investment made by a bank or specified corporation, unless a disposition of the eligible investment has previously occurred and, as a result of the disposition, an amount in respect of the investment has been included under clause 66.1 (4) (c) of the Act in the calculation of the bank's small business investment tax credit account:

- 1. A change in the terms or conditions of the investment which causes it to cease to be an eligible investment.
- 2. The repayment of more than 5 per cent of the principal amount of the eligible investment in any of the first five years after the investment was issued.
- 3. The redemption, acquisition or cancellation of the eligible investment by the qualifying small business corporation or by a person related to the qualifying small business corporation.
- 4. The substitution of a property that is not an eligible investment for the eligible investment.
- 5. The sale or transfer of the eligible investment,
 - i. within one year after its date of issue if the sale or transfer is to a person who is not associated with the bank or specified corporation that made the investment, or
 - ii. within five years after its date of issue if the investment does not continue to be an eligible investment immediately after the sale or transfer.

(2) Despite subsection (1), the following events shall not constitute a disposition of an eligible investment:

- 1. The acquisition by the holder of the eligible investment of a property that is an eligible investment in the qualifying small business corporation or qualifying small business, as the case may be, in substitution for the eligible investment in the same corporation or business, if the new eligible investment is the only consideration received or receivable in respect of the substitution.
- 2. A repayment or a redemption, acquisition or cancellation that occurs subsequent to, and can reasonably be considered to be a consequence of, the qualifying small business corporation or qualifying small business, as the case may be,
 - i. becoming bankrupt, or
 - ii. committing a default under the agreement or instrument under which the investment was issued, if the default occurred at least four months before the repayment, redemption, acquisition or cancellation, was a consequence of the inability of the corporation or small business to pay its liabilities as they came due and has not been remedied.
- 3. A repayment, redemption, cancellation, acquisition, substitution, sale or transfer that is carried out at the request of the qualifying small business corporation or qualifying small business in which the investment was made, if the holder of the investment has not directly or indirectly required the corporation or business to make the request.
- 4. An event described in subsection (1) that occurs more than five years after the date of issue of the eligible investment or at a time when the holder of the investment is a person other than the bank that is entitled to claim a tax credit under section 66.1 of the Act in respect of the investment or a corporation associated with the bank.
- (3) If a bank ceases to control a specified corporation, an eligible investment held by the specified corporation at the time that the change in control occurs shall be deemed to have been disposed of immediately before the change in control unless,
 - (a) the change in control occurs more than one year after the date of issue of the eligible investment and the investment continues to be an eligible investment immediately after the change in control; or
 - (b) there has already been a disposition of the eligible investment for the purposes of section 66.1 of the Act and an amount in respect of the investment has been included under clause 66.1 (4) (c) of the Act in the calculation of the bank's small business investment tax credit account.

(4) For the purposes of determining the amount of a bank's small business investment tax credit account under subsection 66.1 (4) of the Act, the amount referred to in clause 66.1 (4) (c) of the Act that is to be determined under rules prescribed by the regulations in respect of the disposition of an eligible investment in a qualifying small business corporation or in a qualifying small business in respect of which the bank was entitled to make and did make a deduction under subsection 66.1 (2) of the Act, shall be determined in accordance with the following formula:

$$A = B \times \frac{C}{D}$$

where,

"A" is the amount determined under rules prescribed by the regulations in respect of the disposition of the investment,

"B" is the amount equal to the lesser of the fair market value of the investment at the time of its disposition and the amount of consideration for which the investment was originally issued,

PART II INVESTMENTS THROUGH A SMALL BUSINESS INVESTMENT FUND

INTERPRETATION

11. (1) In this Part,

"small business investment fund" means a corporation, fund, association or similar organization that satisfies the following conditions:

1. The primary objective and activity of the corporation, fund, association or organization is the investment of capital in small businesses carried on in Ontario.
2. The corporation, fund, association or organization carries out its activities or business through a permanent establishment in Ontario.
3. All or substantially all of the investments made by the corporation, fund, association or organization are eligible investments in qualifying small business corporations or qualifying small businesses that satisfy the following conditions:
 - i. Neither the total assets nor the gross revenue of the qualifying small business corporation or qualifying small business exceeds \$5,000,000.
 - ii. If the qualifying small business corporation or qualifying small business is a member of a corporate group or associated group, neither the total assets nor the gross revenue of the group exceeds \$5,000,000.

(2) Despite subsection (1), a corporation, fund, association or organization is not a small business investment fund if it is a registered charity.

ELIGIBLE INVESTMENT

12. (1) An investment made after May 7, 1996 and before January 1, 2000 by a bank, or by a specified corporation in which the bank holds an ownership interest at the time the investment is made, is an eligible investment for the purposes of section 66.1 of the Act if it satisfies the following conditions:

1. The investment is made in a small business investment fund that deals at arm's length with the bank or specified corporation.
2. The investment would be a qualifying obligation or qualifying share if issued by a qualifying small business corporation.
3. The small business investment fund reinvests all or part of the amount of the investment in investments issued by qualifying small business corporations or qualifying small businesses that would be eligible investments if issued directly to the bank or specified corporation.
4. The small business investment fund certifies the amount of the investment by the bank or specified corporation that has been reinvested by the fund in eligible investments in qualifying small business corporations or qualifying small businesses and the date of the reinvestments.

(2) For the purposes of section 66.1 of the Act, other than clause 66.1 (4) (c), if the conditions described in subsection (1) are satisfied, the bank or specified corporation shall be considered,

- (a) to have made the eligible investment in the qualifying small business corporation or qualifying small business that was made by the small business investment fund; and
- (b) to have made the eligible investment referred to in clause (a) on the date the small business investment fund made the reinvestment.

(3) The amount and qualifying amount of an eligible investment referred to in subsection (2) shall be deemed to be the amount and qualifying amount that would be determined under section 66.1 of the Act and sections 3 and 4 in respect of the eligible investment made by the small business investment fund in the qualifying small business corporation or qualifying small business.

CERTIFICATION RULES

13. (1) Unless otherwise directed by the Minister, the certification provided by a small business investment fund under section 12 in respect of the reinvestment shall form part of the records and books of account required to be kept under section 94 of the Act by the bank that claims the tax credit under section 66.1 of the Act in respect of the reinvestment.

(2) If incorrect certifications have been given under section 12, or a small business investment fund has certified an investment to be an eligible investment when it was not, the Minister may direct the fund to cease certifying investments and may order that all or certain of the investments made by the fund after the date of the direction and order shall be deemed not to be eligible investments for the purposes of this Part until the Minister revokes the direction and order.

(3) If the Minister is satisfied that the small business investment fund will comply with the Minister's directions with respect to the accuracy, form and content of certifications to be given under section 12, the Minister, subject to any conditions the Minister considers reasonable, may revoke the direction and order given under subsection (2), and all investments that would otherwise have been eligible investments while the Minister's direction and order were in effect shall, to the extent approved by the Minister, be considered to be eligible investments for the purposes of this Part and may be so certified by the fund.

DISPOSITION OF INVESTMENT IN FUND

14. Section 10 applies with necessary modifications in respect of a disposition of an investment by a bank or specified corporation in a small business investment fund, and in the application of that section, the formula in subsection 10 (4) shall be read as follows:

where,

"A" is the amount determined under rules prescribed by the regulations in respect of the disposition of the investment,

"B" is the amount equal to the lesser of the fair market value of the investment at the time of its disposition and the amount of consideration for which the investment was originally issued,

"C" is the total of all qualifying amounts in respect of eligible investments made by the small business investment fund that have been included or are required to be included in calculating the amount determined in respect of the bank under clause 66.1 (4) (a) of the Act, and

"D" is the total amount of consideration for which eligible investments made by the small business investment fund were issued to the extent that,

- (a) the fund has reinvested investments made by the bank or by a specified corporation in which the bank has an ownership interest, in the fund in eligible investments in qualifying small business corporations or qualifying small businesses, and
- (b) amounts in respect of the reinvestments have been included or are required to be included in the amounts determined in respect of the bank under clause 66.1 (4) (a) of the Act.

ELIGIBLE EDUCATIONAL INSTITUTIONS

2. The following institutions are eligible educational institutions for the purposes of section 43.4 of the Act and this Regulation:

1. The work placement has been developed or approved by the eligible educational institution as a suitable learning situation.
2. The terms of the work placement require the student to engage in productive work during the placement, not just to observe the work of others.
3. The work placement is for a period of,
 - i. not less than 10 consecutive weeks, if the placement is under a qualifying co-operative education program that is a program referred to in subparagraph i of paragraph 2 of the definition of "qualifying co-operative education program" in subsection 1 (1), or

(2) If a qualifying co-op work placement exceeds four consecutive months, the following rules apply:

1. The work placement shall be divided into periods of four consecutive months, starting at the beginning of the placement, and each full period of four consecutive months shall be deemed to be a separate qualifying co-op work placement.
2. If the work placement includes a period of 10 or more consecutive weeks that is not included in a period deemed by paragraph 1 to be a separate qualifying co-op work placement, the period of 10 or more consecutive weeks shall be deemed to be a separate qualifying co-op work placement.

(4) Subject to subsection (2), for the purposes of section 43.4 of the Act and this Regulation, consecutive work placements with two or more related corporations shall be deemed to be one continuous work

 - i. has not been repaid in a prior taxation year, and
 - ii. can reasonably be considered to have reduced the amount of a co-operative education tax credit that would otherwise have been allowed to the corporation under the Act in respect of a qualifying co-op work placement.

(2) The total of all eligible expenditures made by a corporation in respect of a qualifying co-op work placement shall be the amount otherwise determined less the amount of all government assistance, if any, that the corporation has received or is entitled to receive in respect of the eligible expenditures.

(3) Despite subsection (1), an expenditure made by a corporation in respect of a work placement is not an eligible expenditure for the purposes of section 43.4 of the Act or this Regulation,

(a) to the extent that the amount of the expenditure would not be considered to be reasonable in the circumstances by persons dealing with each other at arm's length; or

(b) if the work placement is with a person other than the corporation.

(4) For the purposes of section 43.4 of the Act and this section, if a qualifying co-op work placement is deemed by subsection 3 (4) to be a work placement with only one of two or more related corporations,

(a) the corporation designated under subsection 3 (4) shall be deemed to have paid all amounts referred to in paragraphs 1 to 3 of subsection (1) that were paid by the related corporations, and the other related corporations shall be deemed not to have paid those amounts; and

definition of "qualifying co-operative education program" in subsection 1 (1).

4. The student is entitled to receive remuneration for work performed during the work placement.
5. The terms of the work placement require the employer to supervise and evaluate the job performance of the student during the placement.
6. The eligible educational institution monitors the student's progress in the work placement.

(2) If a qualifying co-op work placement exceeds four consecutive months, the following rules apply:

1. The work placement shall be divided into periods of four consecutive months, starting at the beginning of the placement, and each full period of four consecutive months shall be deemed to be a separate qualifying co-op work placement.
2. If the work placement includes a period of 10 or more consecutive weeks that is not included in a period deemed by paragraph 1 to be a separate qualifying co-op work placement, the period of 10 or more consecutive weeks shall be deemed to be a separate qualifying co-op work placement.
3. If the work placement includes a period of less than 10 consecutive weeks that is not included in a period deemed by paragraph 1 to be a separate qualifying co-op work placement, the period of less than 10 consecutive weeks shall be deemed to form part of the immediately preceding period that is deemed by paragraph 1 to be a separate qualifying co-op work placement.

(3) Every eligible educational institution in Ontario that has a co-operative education program shall certify in a manner or form approved by the Provincial Minister to every eligible employer providing a qualifying co-op work placement under the program that the placement is a qualifying co-op work placement for the purposes of subsection 8 (15) of the Act, and the certification shall contain the name of the student in the placement and any additional information required by the Provincial Minister.

(4) Despite subsections (1) and (2), a work placement is not a qualifying co-op work placement for the purposes of subsection 8 (15) of the Act or this Regulation if,

- (a) the work placement is not certified in accordance with subsection (3); or
- (b) the Provincial Minister orders that the work placement or all work placements of the eligible educational institution be deemed not to be qualifying co-op work placements for the purposes of subsection 8 (15) of the Act on the grounds that the eligible educational institution has given incorrect certifications under subsection (3) or has certified a work placement to be a qualifying co-op work placement when it was not.

(5) If the Provincial Minister is satisfied that an eligible educational institution will comply with the Provincial Minister's directions with respect to the accuracy, form and content of certifications to be given under subsection (3), the Provincial Minister, subject to any conditions the Provincial Minister considers reasonable, may revoke an order made under clause (4) (b), and all work placements that would have otherwise been qualifying co-op work placements while the Provincial Minister's order was in effect shall, to the extent approved by the Provincial Minister, be considered to be qualifying co-op work

placements for the purposes of subsection 8 (15) of the Act and may be so certified by the educational institution.

ELIGIBLE EXPENDITURES

5. (1) For the purposes of subsection 8 (15) of the Act and this Regulation, the following amounts paid by an eligible employer in respect of a qualifying co-op work placement are eligible expenditures for a taxation year:

1. Amounts paid to the student in the qualifying co-op work placement as salary or wages that,
 - i. would be considered for the purposes of Part XXVI of the Federal Regulations to be included in the amount of salary or wages paid to employees of a permanent establishment of the eligible employer in Ontario, and
 - ii. are required by Subdivision a of Division B of Part I of the Federal Act to be included in the income from employment of the student in respect of the qualifying co-op work placement.
2. Fees paid to an eligible educational institution or to an employment agency in consideration for the provision of the services carried out by the student in the qualifying co-op work placement, if the services are carried out by the student primarily at a permanent establishment of the eligible employer in Ontario.
3. Repayments of government assistance made by the eligible employer during the taxation year that do not exceed the amount of the assistance that,
 - i. has not been repaid in a prior taxation year, and
 - ii. can reasonably be considered to have reduced the amount of a co-operative education tax credit that would otherwise have been allowed to the eligible employer under the Act in respect of a qualifying co-op work placement.

(2) The total of all eligible expenditures made by an eligible employer in respect of a qualifying co-op work placement shall be the amount otherwise determined less the amount of all government assistance, if any, that the employer has received or is entitled to receive in respect of the eligible expenditures.

(3) Despite subsection (1), an expenditure made by an eligible employer in respect of a work placement is not an eligible expenditure for the purposes of subsection 8 (15) of the Act or this Regulation,

- (a) to the extent that the amount of the expenditure would not be considered to be reasonable in the circumstances by persons dealing with each other at arm's length; or
 - (b) if the work placement is with a person other than the eligible employer.
- (4) In this section,

"government assistance" means assistance from a government, municipality or other public authority in any form, including a grant, subsidy, forgivable loan, deduction from tax or investment allowance, but not including a co-operative education tax credit under subsection 8 (15) of the Act or investment tax credit under section 127 of the Federal Act;

"salary or wages" means salary or wages as defined by subsection 248 (1) of the Federal Act.

CLAIM FOR TAX CREDIT

6. (1) An eligible employer may claim a co-operative education tax credit by deducting an amount, not exceeding the amount of the eligible employer's co-operative education tax credit for the taxation year, from the amount of tax otherwise payable under the Act by the employer for the year.

(2) A co-operative education tax credit may be deducted only after deducting any other amount required by the Act to be deducted first.

PARTNERSHIPS

7. (1) If an eligible employer is a member of a partnership and the partnership would qualify for a co-operative education tax credit for a taxation year if the partnership were an eligible employer, the portion of the co-operative education tax credit that may reasonably be considered to be the member's share of the tax credit may be included in determining the amount of the member's co-operative education tax credit for the same taxation year.

(2) Despite subsection (1), a limited partner's share of a partnership's co-operative education tax credit shall be deemed to be nil.

COMMENCEMENT

8. This Regulation shall be deemed to have come into force on January 1, 1996.
